

### 2021 Aracoma Cancer Awareness Fundraiser Initiative

The lodge is producing 100 of each of the above patches. We will pre-sale 40 complete sets (\$100). This set is limited to one per person. Pre-sale will continue until February 21, 2021. Online sales form will be available on the website.

At least 50 of each flap will be sold at functions during the year. The first 3 flaps will be sold at Winter Fellowship. We will sell to youth then adults, limit of 1 of each per person per function. Cost will be \$5 per flap at functions. Any remaining flaps from one function will be sold at the next function along with the next 3 in the series. Three flaps will be released at Winter Fellowship, Spring Fellowship, Ordeal, Fall Fellowship and the banquet.

Proceeds from the patch sales will be donated to local charitable organizations that assist with our fight against the varieties of cancer.
